

**SERVICE AREA APPROACH**

**LIST OF VILLAGES**

**NANDED DISTRICT**

*PREPARED BY  
STATE BANK OF INDIA  
LEAD BANK OFFICE  
NANDED*

**F O R E W O R D**

I have great pleasure in bringing out the Bank-wise/ Branch-wise/Block-wise list of villages, allocated to all bank branches in Nanded district. There are 1536 villages in Nanded district excluding uninhabited villages. Taking into consideration traditional coverages, geographical area of the branch, finance etc. allotment has been done with consent of the branch manager concern.

As far as possible previous allocation has not been disturbed to avoid misgivings and inconvenience to poor and farmers. Further for the long time the list was not updated.

With the opening of new branches and increase in blocks, the list was needed revision and updating. This care has been taken in preparing fresh list after opening of new branches. This list will uploaded on district website ***nanded.gov.in*** for the convenience of the stake holders and general public. This list will be applicable till further modifications. This list has been put for approval of **DLRC** meeting Dt. 14/03/2012 and approved by the **FORUM**.

**This list of villages is applicable for government sponsored cases only, for banks regular schemes the Service Area Approach has been abolished by RBI since 2004, vide letter no. RPCD/LBS (SAA)/BC No.62/2004-05 Dt.08/12/2004**
